Description

DESCRIPTION

The H.C.B-B2294 LED work light is a compact, portable, and powerful lighting solution for various applications. It features a long, cylindrical body with a series of high-quality LED chips that provide bright, white light. The light bar is made of aluminum, which is durable and resistant to corrosion. The mounting bracket is made of plastic and is designed to be easily attached to a variety of surfaces. The power cable is made of electric wire and is long enough to reach a power source. The light bar is also equipped with a red and black power cable with alligator clips, making it easy to connect to a 12V power source. The light bar is also equipped with a red and black power cable with alligator clips, making it easy to connect to a 12V power source.
