Description

HCB is a leader in the design and manufacturing of high quality tools for the automotive industry. Our products are designed to meet the needs of the professional mechanic and the DIY enthusiast. We are committed to providing the best quality tools at the best price.

Product Details:

- Material: Steel
- Finish: Black
- Weight: 0.5 kg
- Dimensions: 100 x 50 x 50 mm

Usage: This tool is used to install the piston pin into the piston. It is a simple and effective design that allows for easy installation without the need for special equipment.

Notes:

- Always use the correct lubrication when installing the piston pin.
- Do not use excessive force when installing the piston pin.
- Check the fit of the piston pin in the piston and the crankshaft.
