Description

Product Name: H.C.B-IV1047 IVECO STRAILS INJECTOR REMOVAL MASTER KIT(13pcs)
Product Code: HCB-IV1047
Product Category: JAPANESE TRUCK REPAIR TOOLS
Product Image: 
Product Description: This master kit is specifically designed for the repair and removal of IVECO STRAILS injectors. It contains 13 specialized tools, including sockets, wrenches, and pullers, all of which are essential for performing this task efficiently and safely. The tools are made of high-quality materials and are designed to withstand the high temperatures and pressures associated with injector work. The kit is presented in a durable blue plastic carrying case, which makes it easy to store and transport. This master kit is a must-have for any technician who works on IVECO trucks and is looking for a reliable and professional solution for injector removal.
