Description

Product Description :

2014 VW T4 TRANSMISSION SUPPORT DEVICE

?Product Info?

Model/Item No. :

H.C.B-A1509

Country of Origin :

Taiwan

Brand :

H.C.B

Product Specifications /Features :

* Used To Support Engine When Removing Transmission.

* VW OEM no.ref: 3184/3230/3227

Suitable for VW T4 Vans(short bodywork)

Designed to lift and pull forward the engine/gearbox assembly.

For the removal and installation of clutch and gearbox on VW T4 it is essential to support the engine with engine lifter A1509 . After undoing all mounting bolts, loosening the exhaust flange and removal of all connections, the engine must be lifted and pulled or pushed to the right front side until the pulley of the crankshaft gets almost in contact with the frame.Only then will

it be possible to remove the gearbox and change the clutch.

Advantages:

- * Easy installation of the engine lifter on the vehicle.
- * Support of upper wishbones by retaining wedges for removal of the drive shaft.
- * Support and correct positioning of the engine in every wanted position.
- * Easy Removal and installation of gearbox and clutch without engine lifter A1509 is a dangerous procedure.
- * Applicable for 4 and 5 cylinder engines. Also suitable for VW T4 Vans (short bodywork)
- * Safety fixture avoids caught in fingers in the tool's support.

Primary Competitive Advantages :

Well and High Quality Control, Prompt Delivery, New Product, Customer's Design and Logo are Welcome, Competitive Prices, Earth-friendly Products

Sales Method :

Export, Manufacture

Payment Term :

T/T, L/C at Sight
